Your username must be in the form of an email address (it does not have to be real). It must be unique and cannot be associated with another Salesforce login credential. [Read more about username recommendations.](#)

☒ I agree to the Main Services Agreement – Developer Services and Salesforce Program Agreement.

Yes, I would like to receive marketing communications regarding Salesforce products, services, and events. I can unsubscribe at any time.

By registering, you confirm that you agree to the processing of your personal data by Salesforce as described in the [Privacy Statement](#).

Sign me Up

Step 5 : Click on 'Sign me up' button.

The screenshot shows the Salesforce Developer Edition Sign Up page. The page has a blue background. On the right side, there is a white box containing the sign-up form. The form includes a 'Username*' field with the value 'anu04@gmail.com'. Below the field, there is a note: 'Your username must be in the form of an email address (it does not have to be real). It must be unique and cannot be associated with another Salesforce login credential. [Read more about username recommendations.](#)'. There is a checked checkbox for 'I agree to the Main Services Agreement – Developer Services and Salesforce Program Agreement.'. Below the checkbox, there is a text: 'Yes, I would like to receive marketing communications regarding Salesforce products, services, and events. I can unsubscribe at any time.'. Below this, there is a text: 'By registering, you confirm that you agree to the processing of your personal data by Salesforce as described in the [Privacy Statement](#).'. At the bottom of the form, there is a blue button labeled 'Sign me Up'. Below the button, there is a text: 'Already have a Salesforce Developer Environment?' and a link 'Log in'.
